

CROSS ROADS

Bosch today 2024 Facts and figures

Bosch is a nexus – a place where paths intersect and the most disparate trends and developments converge. Bosch can draw from its great technological potential as a diversified industrial group: mobility, capital goods, consumer goods, buildings, and energy. Barely any other company is so diverse, so networked, and so active in central areas of people's lives. Bosch uses its expertise to provide answers: answers to the most urgent issues of our age.

BOSCH GROUP

The Bosch Group is a leading global supplier of technology and services. Its operations are divided into **four business sectors**. Universal trends such as automation, electrification, digitalization, and connectivity, as well as an orientation to sustainability, are increasingly determining the group's business operations.
