2. Conclusion of and Modifications to the Contract

- 2.1 The Contract, all Orders and Order releases, as well as any modifications or supplements thereto, must be placed and made in writing in order to be valid and binding. The written form requirement is also satisfied if communications are sent by fax, email or other forms of remote data transmission.
- 2.2 General business terms of Supplier which conflict with or deviate from these Terms are not (and shall not be deemed to be) accepted, even if referred to in Supplier’s quotations. Bosch’s acceptance of Contract Products from Supplier and/or payment for Contract Products to Supplier shall not constitute agreement by Bosch to Supplier’s general business terms, even if such acceptance or payment is made with Bosch’s knowledge of conflicting or supplementary terms of Supplier. Any other provisions deviating from these Terms shall only be valid and binding if both parties explicitly agree in writing that they shall prevail.
- 2.3 Oral communications or agreements of any kind must be confirmed by Bosch in writing in order to become valid and effective.
- 2.4 Cost estimates are binding on Supplier and will not be compensated by Bosch unless otherwise expressly agreed beforehand.
- 2.5 Bosch is entitled to cancel an Order if Supplier has not accepted that Order within two (2) calendar weeks of receipt thereof.
- 2.6 Order releases shall be deemed to be accepted by Supplier and become binding if Supplier does not object within two (2) working days of receipt thereof.
- 2.7 The Packaging Specifications and the Logistics Supplier Manual of Robert Bosch GmbH (which can be downloaded at www.bosch.com under the Purchasing and Logistics section) shall also apply to the Contract and all Orders.

3. Delivery and Software

- 3.1 Agreed periods and dates for delivery in the Contract / Order are strictly binding and time shall be of the essence in this regard. Punctual compliance with the delivery periods and delivery dates is determined by the date of receipt of the Contract Products by Bosch. Unless delivery “free at factory gate” is agreed (DAP or DDP Incoterms 2010), Supplier shall make the Contract Products available in good time, taking into account the time for loading and shipment to be agreed with the forwarder.
- 3.2 If Supplier is responsible for set-up or installation of the Contract Products, Supplier shall bear all the necessary expenses and incidental costs thereof (including but not limited to: travel expenses; provision of tools; daily allowances; etc.).
- 3.3 Failure to meet the agreed delivery periods or dates shall constitute a material breach of the Contract / Order by Supplier and Bosch shall be entitled to the corresponding remedies. In particular (without limitation of the foregoing), if Supplier fails to meet the agreed delivery dates, or notifies Bosch of a prospective delay, Bosch shall be entitled to cancel the respective Order (or part thereof) without any liability to Supplier and to hold Supplier liable for all damages, losses, costs and expenses incurred by Bosch as a result, including but not limited to the costs of purchasing substitute Contract Products from a third party.
- 3.4 If Supplier anticipates any difficulties with respect to production, the supply of precursor material, compliance with delivery periods or other similar circumstances that could interfere with Supplier’s ability to deliver punctually or to deliver the agreed quality in accordance with the Contract / Order, Supplier must immediately notify Bosch’s ordering department, stating the particulars and reasons for the difficulty, the expected duration of the difficulty and the expected delivery date. However, such notification shall not of itself constitute a waiver, release or extension of time by Bosch.
- 3.5 Bosch’s acceptance of and/or payment for any delayed delivery shall not constitute a waiver of any claims to which Bosch is entitled due to that delayed delivery.
- 3.6 Partial deliveries are not permitted unless Bosch has expressly agreed to them in advance. In all other cases, partial deliveries shall be deemed completed only when all Contract Products under the respective Order are fully delivered, failing which it shall be considered a late delivery.
- 3.7 In addition to all other remedies available to Bosch under law or the Contract, if Supplier fails to meet the agreed delivery periods or dates, Supplier shall pay to Bosch liquidated damages calculated at the rate of 0.1% of the price of the respective Order for each day of delay, commencing from the date of first default until the date the Contract Products are fully delivered to Bosch. Bosch may deduct such liquidated damages from any payments due to Supplier.
- 3.8 The values established by Bosch during the incoming inspection of Contract Products shall determine the quantities, weights and measurements delivered, unless different values are proved.
- 3.9 As part of delivery of the Contract Products, Supplier shall procure and provide Bosch with simple rights of use, unrestricted in terms of time and territory, to use any software within the scope of delivery. Bosch’s permissible use shall encompass, in particular, duplication, loading and running the software. It shall also encompass sublicensing, renting and every other form of passing the software on to Bosch’s Associated Companies.
- 3.10 In addition, Bosch shall have the right to use such software, including the software documentation, with the

agreed performance characteristics and to the extent necessary for the use of the Contract Product in accordance with the Contract / Order. Bosch shall also have the right to make a reasonable number of backup copies.

3.11 The supplementary Terms and Conditions of Purchase for Software of Robert Bosch GmbH (which can be downloaded at www.bosch.com under the Purchasing and Logistics section) apply to all software.

3.12 Unless otherwise expressly agreed in the Contract / Order, Bosch shall not be obliged to return to Supplier any packaging or packaging materials for the Contract Products.

4. Force Majeure

4.1 Events of Force Majeure will discharge Bosch from its obligation to take punctual delivery of Contract Products for the duration of such Force Majeure event. During any such Force Majeure event and for a two (2) calendar week period thereafter, Bosch shall be entitled (without prejudice to its other rights) to withdraw from the Contract / Order (or part thereof), provided that such Force Majeure event is not of an inconsiderable duration and Bosch's requirements are considerably reduced as the Contract Products have to be procured elsewhere as a result of the Force Majeure event.

5. Advice of Dispatch and Invoice

The details in Bosch's Orders and Order releases shall apply. An invoice showing the invoice number and other allocation references shall be sent in one (1) copy by Supplier to the applicable printed mailing address of Bosch; the invoice must not be enclosed with the shipments of Contract Products.

6. Pricing and Passing of Risk

6.1 Unless otherwise agreed in the Contract / Order, the prices are "Delivered at Place" (DAP) (Incoterms 2010) including packaging.

6.2 Taxes, such as Value Added Tax (VAT) or Goods and Services Tax (GST), are not included in the prices. Supplier shall add such taxes at the rate and in the manner prescribed by applicable law. Bosch shall have no other liability to Supplier with respect to any tax, duty, levy or similar imposition for which Supplier may be liable as a result of the supply of the Contract Products. If Bosch is required to withhold any taxes or charge pursuant to any applicable law or regulation, Bosch shall be entitled to withhold and deduct such tax or charge before payment to Supplier.

6.3 Supplier bears all risks of loss of or damage to the Contract Products until they are received by Bosch or by Bosch's representative at the location to which the Contract Products are to be delivered in accordance with the Contract / Order. All title and property in the Contract Products shall also pass to Bosch at such place and time.

7. Payment Terms

7.1 Unless otherwise agreed in the Contract / Order, Supplier's invoices shall be paid by Bosch either within twenty (20) calendar days with deduction of a three percent (3%) discount, or within one hundred and twenty (120) calendar days without any deduction, counting from the due date of payment and receipt of both Supplier's invoice and the Contract Products. Payment is subject to invoice verification by Bosch.

7.2 Bosch shall be entitled to set-off without prior notification, against the price of the Contract Products or Supplier's invoices, any amounts due and owing by Supplier to Bosch.

8. Warranties

8.1 Supplier warrants that:

- (a) the quantity, quality and specifications of Contract Products will be as set out in the Contract / Order;
- (b) the Contract Products will be fit for the purpose(s) held out by Supplier and/or made known to Supplier by Bosch when the Order was placed;
- (c) the Contract Products are free from faults and defects (in particular but not limited to defects in material and workmanship);
- (d) it has good and marketable title to the Contract Products and the Contract Products are free from any encumbrances whatsoever;
- (e) it has inspected and tested the Contract Products for compliance with the Contract / Order prior to delivery and shall, if requested, supply Bosch with certificates or origin and/or testing. Such certificates must state the Order number together with any item numbers;
- (f) it has complied and will continue to comply with applicable laws and regulations concerning the manufacture, packaging, sale and delivery of the Contract Products;
- (g) the Contract Products, their import and/or export, performance, use, sale or resale does not and will not infringe the intellectual or industrial property rights of any third party; and
- (h) any services procured will be performed by qualified and trained personnel with due care and diligence and shall be at least of generally accepted industry standards.

8.2 The above express warranties of Supplier shall be in addition to, and not in derogation of, any other terms or warranties (and any corresponding rights or remedies of Bosch) implied by applicable law, in particular (but not limited to) those relating to title, description, quality and fitness.

9. Notification of Defects and other Discrepancies

9.1 An examination of the Contract Products is conducted by Bosch during the incoming inspection of Contract Products only to establish whether there is any obvious damage (in particular transport damage) and discrepancies in terms of the identity or quantity of the delivery, except as otherwise agreed with Supplier in a separate Quality Assurance Agreement.

9.2 Bosch will give notice to Supplier of any defects or other discrepancies found in the Contract Products without undue delay after their discovery. To this extent, Supplier hereby waives any objection to delayed notification of defects or other discrepancies.

10. Claims Based on Defects and other Discrepancies

10.1 If there is a defect in the Contract Products or if the Contract Products are otherwise not in accordance with the Contract / Order, Bosch shall have the right to select the manner of rectification. Supplier may only refuse the manner of rectification chosen by Bosch if that manner will incur disproportionate expenses for Supplier (which shall be for Supplier to prove).

10.2 Supplier shall, upon first demand, indemnify, defend, release and hold harmless Bosch (as well as its officers, shareholders, Associated Companies, sub-contractors and customers) from all liabilities, claims, proceedings, judgments, damages, losses, costs, interest and expenses asserted against or incurred by Bosch as a result of Supplier's supply of defective Contract Products or failure to supply the Contract Products otherwise in accordance with the Contract / Order in all respects. Such expenses include (but are not limited to): legal costs on a solicitor-and-client

basis; amounts paid in investigation, defence, settlement or penalties; costs relating to transport or carriage; labour costs; assembly and disassembly costs; material costs; and costs of incoming product control exceeding the normal scope.

10.3 Without limitation to the foregoing provisions and without prejudice to any other rights or remedies available to Bosch under applicable law and the Contract / Order, if there is a defect in the Contract Products or if the Contract Products are otherwise not in accordance with the Contract / Order, Bosch may in its sole discretion:

- (a) require Supplier to repair or re-supply the Contract Products in accordance with the Contract / Order within seven (7) working days (or such other period as Bosch may direct) free of charge;
- (b) have the Contract Products repaired either itself or by a third party, with the expenses thereof to be borne by Supplier on an indemnity basis (especially where Supplier does not commence repairing the defect immediately after request from Bosch, or in urgent cases or to prevent additional damage to Bosch); and/or
- (c) cancel or terminate the Contract / Order (or part thereof) and require Supplier to reimburse the price paid by Bosch for the respective Contract Products and to bear the additional expenses of Bosch procuring substitute Contract Products from a third party, on an indemnity basis.

10.4 The limitation period for claims based on defects and other discrepancies shall be three (3) calendar years, except in the case of fraudulent misrepresentation, unless longer limitation periods are applicable in Bosch's favour under local applicable laws. The limitation period shall commence when the Contract Products are delivered (i.e. upon the passing of risk).

10.5 If Supplier performs its rectification obligation by re-supplying substitute Contract Products, then the limitation period shall start to run anew upon delivery thereof.

10.6 Supplier shall be accountable and liable to Bosch for any fault of its sub-suppliers in the same manner that Supplier is for its own faults.

11. Product Liability and Recall

11.1 In the event a product liability claim is asserted against Bosch, Supplier shall indemnify and hold harmless Bosch in the manner set out in Clause 10.2, to the extent that the product liability claim and/or resulting damage was caused by a defect in the Contract Products. Insofar as the cause of the damage falls within Supplier's area of responsibility, the burden of proof will be on Supplier to prove that it is not at fault.

11.2 Prior to any product recall action which is partially or wholly due to a defect in a Contract Product, Bosch will notify Supplier, give Supplier the opportunity to collaborate and discuss with Supplier the efficient conduct of the recall action, unless no notification of or collaboration by Supplier is possible due to particular urgency. The costs of the recall action shall be borne by Supplier in the manner set out in Clause 10.2, to the extent that the recall action is due to a defect in a Contract Product.

11.3 The provisions of this Clause 11 shall be in addition to, and not in derogation of, any other provisions and rights or remedies available to Bosch under applicable law and the Contract / Order.

12. Conducting Work

Supplier's representatives who carry out work on Bosch's (or its Associated Company's) factory premises in fulfilment of the Contract / Orders must observe the respective

plant regulations. Bosch shall not be liable for any accidents suffered by these persons on our factory premises, except to the extent caused by wilful or gross negligence by Bosch's legal representatives or persons employed by Bosch in the performance of our obligations.

13. Provision of Materials

Any materials, parts, containers and/or special packaging provided by Bosch to Supplier, whether against payment or free of charge, shall remain Bosch's property ("Provisions"). These Provisions may only be used as designated by Bosch. The Provisions are processed and assembled for Bosch. Supplier agrees that Bosch is the co-owner of all Contract Products manufactured with Bosch's Provisions, in proportion to the value of the Provisions in relation to the value of the whole Contract Product. Such Contract Products shall be kept safe for Bosch by Supplier to this extent. Bosch reserves the right to joint ownership of the Contract Products manufactured using Bosch's Provisions pending settlement in full of the claims accruing through the Provisions. Supplier has the right to on-sell the Contract Products manufactured using our Provisions in the normal course of business, subject to reservation of title. Supplier hereby assigns to Bosch in full all of the claims and ancillary rights accruing to Supplier from such sales. The assigned claims serve as security for the claims accruing to Bosch through the Provisions. Supplier has the right to collect the assigned claims, which shall be deemed to be on Bosch's behalf or in trust for Bosch. Bosch may revoke Supplier's rights under this Clause 13 without prior notice if Supplier fails to duly perform its obligations to Bosch, is in default of payment, stops making its payments, or if Supplier applies for the opening of insolvency proceedings or similar debt-settlement proceedings with respect to its assets. Bosch may also revoke Supplier's rights under this Clause 13 if the financial circumstances of Supplier should deteriorate fundamentally or threaten to do so or if Supplier meets the criteria for insolvency or over-indebtedness. If the value of the security existing for Bosch should exceed the value of Bosch's claims by more than ten percent (10%) on aggregate, Bosch shall release security at our discretion to this extent on request by Supplier.

14. Documentation and Confidentiality

14.1 All proprietary, commercial and/or technical information accessed or received by Supplier from Bosch (or Bosch's Associated Companies) in connection with the Contract and Orders (including but not limited to characteristics which can be deduced from objects, documents or software provided and any other knowledge or experience), regardless of its form and manner of disclosure ("Confidential Information"), shall be kept strictly secret and confidential with respect to third parties insofar and for as long as such Confidential Information is not proven to be public knowledge. The Confidential Information may only be made available by Supplier to those of Supplier's employees who have a need to know the Confidential Information for the purposes of the supply to Bosch under the Contract / Orders and who are also committed to corresponding obligations of secrecy. Without Bosch's prior express written consent, the Confidential Information may not be duplicated or commercially used or used for purposes other than in connection with the Contract / Orders. At Bosch's request, all Confidential Information (including copies or duplicates, if any) as well as loaned items (if any) must either be returned to Bosch immediately in full or completely destroyed. Supplier shall not in any circumstances disas-

- semble, decompile or translate software received into any other kind of code or open, disassemble or reverse engineer samples received. Bosch retains and reserves the exclusive ownership, title and rights to the Confidential Information (including but not limited to copyright and the right to file applications for industrial property rights such as patents, utility models, semiconductor protection, etc.). No title, licence, copyright or any other rights are granted (expressly or impliedly) by the disclosure of Confidential Information to Supplier. Likewise, Bosch makes no representation or warranty (expressly or impliedly) regarding the completeness, faultlessness, merchantability, fitness for any purpose, or freedom of third parties' rights of Confidential Information disclosed to Supplier, and assumes no liability in this regard. In the event such Confidential Information is provided to Bosch by third parties, the reservation of rights herein also applies for the benefit of such third parties.
- 14.2 Contract Products manufactured on the basis of documentation drafted by Bosch (such as drawings, models and the like), or based on Bosch's Confidential Information, or manufactured with Bosch's tools or with tools modelled upon Bosch's tools, may neither be used by Supplier itself nor offered or supplied to third parties. This also applies analogously to Bosch's print orders.
- 14.3 In the event that Supplier breaches its obligations under this Clause 14, Supplier shall indemnify and hold harmless Bosch in the manner set out in Clause 10.2.
- 15. Export Control and Customs**
- 15.1 Supplier shall comply with all applicable national and international import and (re-)export control, customs and foreign trade regulations and requirements and shall furnish to Bosch, upon request, documentation of Supplier's compliance.
- 15.2 Supplier shall inform Bosch about any applicable (re-)export licence requirements or restrictions for the Contract Products under German, European or US export control law and customs regulations, as well as the export control law and customs regulations of the country of origin of the Contract Products, in its business documents and shall send the following information on Contract Products subject to export licence requirements to Export-Control@de.bosch.com in good time prior to the first delivery:
- Bosch material number;
 - description of Contract Product;
 - all applicable export list numbers, including the Export Control Classification Number pursuant to the U.S. Commerce Control List (ECCN);
 - country of origin of the Contract Products and of the components thereof, including technology and software, under commercial policy;
 - HS Code of the Contract Products; and
 - a contact person in Supplier's organisation to address any further inquiries.
- 15.3 Supplier shall inform Bosch without undue delay of any changes to the export licence requirements applying to the Contract Products it supplied to Bosch as a result of technical changes, changes to the law or government decisions.
- 15.4 In the event that Supplier breaches its obligations under this Clause 15, Supplier shall indemnify and hold harmless Bosch in the manner set out in Clause 10.2.
- 16. Compliance**
- 16.1 Supplier shall comply with all applicable laws, regulations and international conventions and shall furnish to Bosch, upon request, documentation of Supplier's compliance.
- 16.2 In particular (without limitation to the foregoing):
- Supplier undertakes that it (and its officers, employees, shareholders, representatives or other persons acting for it) will not, directly or indirectly, either in private business dealings or in dealings with the public sector, accept, offer, give or agree to accept, to offer or to give (either itself or in agreement with others) any payment, gift or other advantage which would violate (i) any applicable anti-corruption and anti-bribery laws, (ii) the US Foreign Corrupt Practices Act, (iii) the UK Bribery Act 2010, or (iv) which a reasonable person would otherwise consider to be unethical, illegal or improper. Supplier also undertakes not to seek, directly or indirectly, improperly or corruptly to influence or attempt to influence a public official or a third party to act to the advantage of either of the parties or any other third party, or otherwise to perform their duties improperly;
 - Supplier undertakes not to make any agreements with other companies or to agree on concerted practices with other companies aiming to or bringing about a prevention, restriction or distortion of competition under applicable antitrust regulations;
 - Supplier guarantees that it will comply with applicable laws governing the general minimum wage and will commit its sub-suppliers to the same extent;
 - Supplier shall comply with the respective statutory provisions governing the treatment of employees, environmental protection and health and safety at work and to work on reducing the adverse effects of its activities on human beings and the environment. In this respect Supplier shall set up and further develop a management system in accordance with ISO 14001 within the realms of its possibilities; and
 - Supplier shall comply with the principles of the UN Global Compact Initiative (www.unglobalcompact.org) relating broadly to the protection of international human rights, the right to collective bargaining, the abolition of forced labour and child labour, the elimination of discrimination when personnel is engaged and employed and the responsibility for the environment.
- 16.3 Supplier shall commit its sub-suppliers to also comply with the provisions of this Clause 16.
- 16.4 In the event of a suspected violation of its obligations under this Clause 16, Supplier must investigate any possible violations without undue delay and inform Bosch of the investigation measures taken. If the suspicion proves to be justified, Supplier must inform Bosch within a reasonable period of time of the measures that Supplier has taken internally within its organization in order to prevent violations in future. If Supplier fails to comply with these obligations within a reasonable period of time, Bosch reserves the right to withdraw from or terminate the Contract / Orders without prior notice and with immediate effect, without any liability to Supplier.
- 16.5 In the event that Supplier breaches its obligations under this Clause 16, Supplier shall indemnify and hold harmless Bosch in the manner set out in Clause 10.2.

17. Data Privacy

- 17.1 Supplier shall comply with all applicable national and international privacy and personal data protection laws and regulations and shall take the required technical and organisational measures to protect such personal data.
- 17.2 In the event that Supplier breaches its obligations under this Clause 17, Supplier shall indemnify and hold harmless Bosch in the manner set out in Clause 10.2.

18. Place of Performance

The place of performance is deemed to be the agreed place to which the Contract Products are to be delivered.

19. Termination

- 19.1 In addition and without prejudice to any rights of withdrawal provided by statute or other applicable laws, Bosch may terminate any Order (in whole or in part, in its sole discretion) by notice in writing with immediate effect and without any resulting liability to Supplier if:
- Supplier is in breach of any of its contractual obligations and either the breach is incapable of rectification or, in the case of a breach capable of remedy, Supplier fails to rectify the breach within 1 (one) calendar month from a written request/notification issued by Bosch;
 - Supplier is persistently in breach of its contractual obligations, regardless of whether or not such breach is capable of remedy;
 - Supplier has concrete reasons to believe that it is highly probable that Supplier will be unable to perform, in the manner owed and in good time, its contractual obligations which Bosch is reliant on receiving performance of in a manner which is free of defects, complete and punctual;
 - Supplier ceases (or threatens to cease) carrying on its business in respect of the Contract Products and/or supplying its customers;
 - Supplier suspends its payments or is unable to meet its debts as and when they fall due;
 - Supplier either meets the criteria for or is the subject of insolvency, winding-up, liquidation, receivership, judicial management, scheme of arrangement, any other debt-settlement mechanism or any other similar proceedings (whether voluntary or involuntary);
 - Supplier violates any applicable laws or regulations and fails to evidence that the violation has been cured as far as possible and that appropriate precautions have been taken to avoid such violations in future;
 - there is a change (directly or indirectly) in Supplier's shareholding, ownership or control that affects Bosch's legal and/or commercial interests, or if a third party acquires the majority of Supplier's assets; or
 - such termination by Bosch is necessary in order for Bosch to comply with any applicable import/export control, customs and/or foreign trade laws and regulations.
- 19.2 If Bosch exercises its right of termination and the circumstances for such termination are due to the breach or other fault or event within the control or responsibility of Supplier, then Supplier shall compensate and indemnify Bosch for any damages, losses, costs and/or expenses incurred by Bosch in connection with such termination.

20. Miscellaneous

- 20.1 Supplier may not sub-contract its obligations under the Contract without Bosch's prior written consent.

- 20.2 Bosch is entitled to amend and update these Terms from time to time without prior notice to Supplier, for the purposes of future Orders.
- 20.3 Any right, power or remedy given to a party under these Terms (including the right to terminate) shall not exclude, prejudice or diminish any other right, power or remedy available to that party (whether under contract, law, equity or otherwise).
- 20.4 If any provision of these Terms (or part thereof) is determined by a tribunal of competent jurisdiction to be illegal, invalid or unenforceable, that provision (or part thereof) shall be read down so as to give it as much effect as possible. If such reading down is not possible, then that provision (or part thereof) shall be severed from these Terms. If necessary, the tribunal or the parties shall subsequently agree upon a valid provision (or part thereof) approximating most closely the commercial intention/purpose of the ineffective provision. This shall apply analogously to any gaps. Such reading down or severance shall not affect the legality, validity or enforceability of the remainder of such provision or any other provision of these Terms, which shall remain in full force and effect.
- 20.5 The fact that one party was responsible for the preparation of these Terms shall not be used to apply any rule of interpretation or construction to the disadvantage of that party.

- 20.9 Insofar as Supplier is incorporated or domiciled or registered, or has assets in, a jurisdiction outside Malaysia, Supplier hereby irrevocably and unconditionally agrees that Bosch shall be entitled to register and enforce any judgment of the Malaysian courts obtained hereunder against Supplier in such other jurisdiction.
- 20.10 Excluding Bosch's Associated Companies, any person who is not a party to these Terms shall not have any right to enforce them.
